

CROWNS

E F#m A
Any crown I have I cast it
E F#m C#m
I lay all before Your throne
E F#m A
With the choir of the angels
E F#m C#m
I make Heaven's song my own

A C#m B A E B
Holy, Lord God Almighty, Holy, there is none like You
A C#m B
Worthy, to receive all glory
A E B
There is none like You

E F#m A
Heaven's elders lay their crowns down
E F#m C#m
As all thrones before You fall
E F#m A
Together earth and heaven cry out
E F#m C#m
The Lamb the centre of it all

B C#m E
Heaven's anthem roars with praise, it drowns out all other names

B
It's all for You

B C#m E
Kings and kingdoms fade away, the King of Kings ever remains

Eternally

B C#m E
Be crowned with many crowns, be praised with highest praise

B C#m E
To You the wisdom and the praise, Your rule ever remains

B
Eternally
