

LIVING WATER

A **B C#m** **E/G#**
Like rivers in a wasteland, like water to a desert, You came
A **B C#m** **E/G#**
You came to Your creation, living water flowing

A **B C#m**
The mountains have been levelled, the valleys have been lifted,
E/G#
Through You

A **B C#m**
The way to God is open, living water flowing

F#m **E** **B**
Come to Him, all who are weary
F#m **E** **C#m** **B**
Come to Him, drink of His well, it never runs dry

A **B** **C#m** **E/G#**
You are true and living Water
A **B** **C#m** **E/G#**
Only You can satisfy
A **B** **C#m** **E/G#**
Jesus, Saviour and Messiah
A **B** **E** **F#m**
Only You can satisfy

C#m **A** **E** **G#m**
Hallelujah, hallelujah, Spirit and truth collide
C#m **A** **E** **G#m**
Hallelujah, hallelujah, Jesus You are the Christ
